Thanks for your consideration. I ended up having to drive last minute to Fresno with the family, because it seems as though my husband's grandmother is in her last moments. So, we were driving back yesterday evening. I apologize for not getting on the call, however, I'll surely discuss with Amy.

Ginnia - I thought I had responded to this but evidently I did not. Of course it's fine for you to listen in tonight, and I trust it will be just you. Motherhood comes first! :)

Some of the stuff might not translate (i.e. we will have some handouts and boards) but I can leave Amy with a copy to give to you.

Best,

Monday is supposed to be my day off, which means I have to care for my 11 month-old into the evening. Would it be OK if I call in by calling Amy instead? I assure you that the only listening ears will be me and my child. Thanks for understanding.

Great! Correct - this invite is for the two of you to represent LCS leadership. In addition to yourself/yourselfs, I have also invited Heather Boylston from the board and she will be attending.

This is an update meeting to gather feedback on the latest edits to the design and information on the proposed operator. We'd like to "take the temperature" of community leaders and stakeholder representatives prior to any next steps.

Rest assured that if/when the proposal continues to move forward, there will be opportunities for the community at large to engage as part of a public process.

I should be able to attend this - thank you for the advance notice Dan. Confirming that this is really just for the two of us and not for us to spread the word broader within the school community.

Thanks,
Amy

Amy and Ginnia,

I hope all is well. I would like to invite you both, on behalf of Larchmont Charter School leadership, to a roundtable discussion to hear updates on the proposed temporary bridge housing facility at [1533 Schrader Blvd.](#)

At this time, the proposal is not an approved project, but as the matter is being studied by various departments, we will have updates to share regarding a proposed operator(s), amended design, etc. The purpose of the meeting will be to present these updates and seek feedback and questions from community stakeholders and leaders.

This discussion will be held on **Monday, July 30, 2018 at 6:00 PM at the Hollywood Property Owners Alliance, [6562 Hollywood Blvd.](#)**

Please RSVP to me directly if you are available and/or interested in attending. **Please note that this invitation is NOT transferable, and this is not an open house or town hall.** There will be other public opportunities for folks to weigh in.

Please let me know if you can make it on Monday July 30th at 6:00 PM.

Thanks!
